

# Welcome to Wallscourt Farm Academy

Hello I am Noodle.  
I would love to show you  
around your new school.  
Come with me!

When you start school you will be in Oak Learning Zone.

The adults you will be learning with are

Miss McClelland

Mrs Fuller

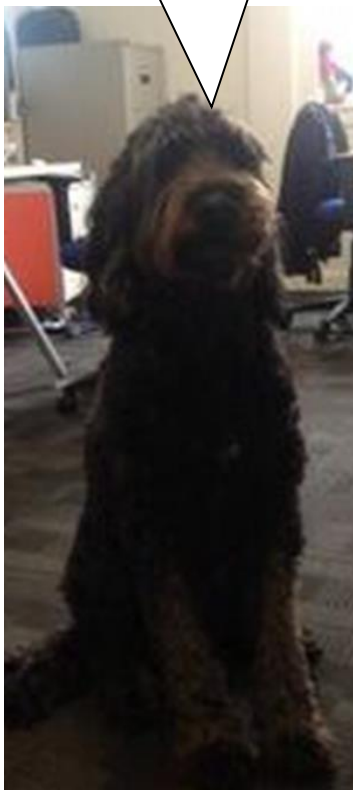

Mrs Holbrook

Miss Smith

When you come to school, you will wear a uniform like this.

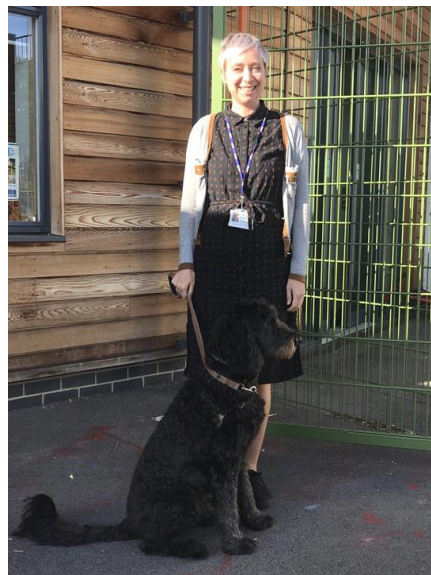

I will open the gate for you each morning. I'm always so happy to see everyone. Here I am with Ms Kelham, the Principal.

Sometimes you will see me on the gate with Miss McDonnell or Miss Black.

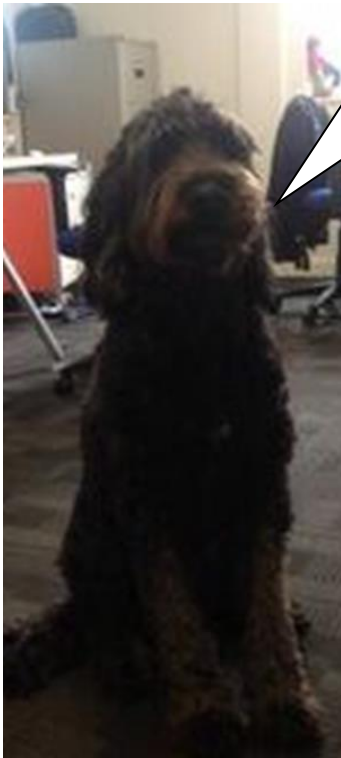

Miss McDonnell

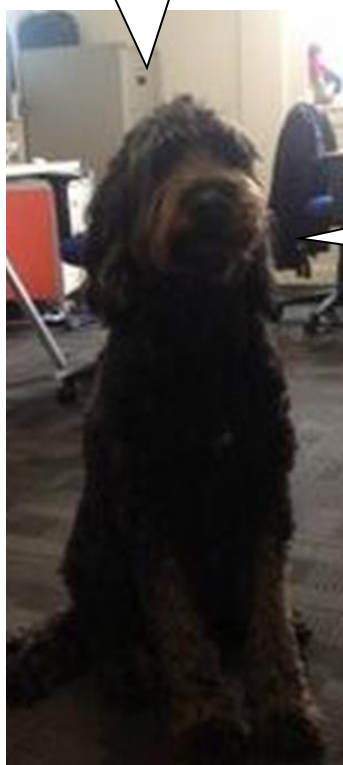

Miss Black

During your first day at school, you will make a peg label. This will show you where to hang your coat in the mornings.

There is a space inside to hang your Sports kit. You will need this for when we are being athletes.

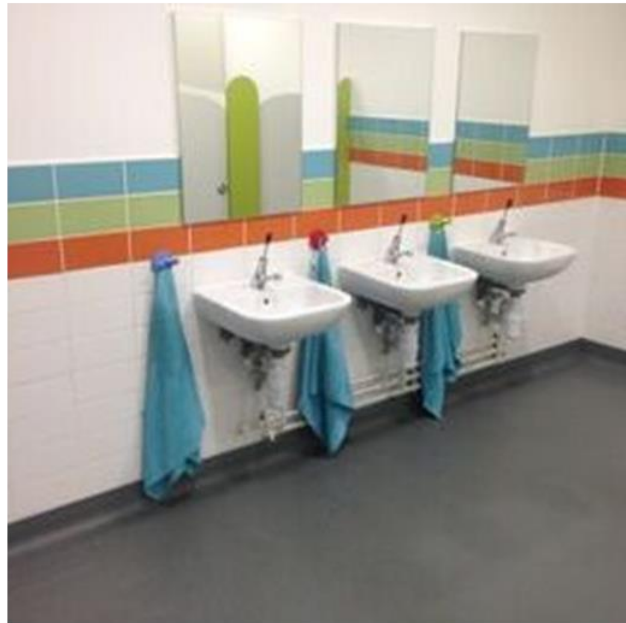

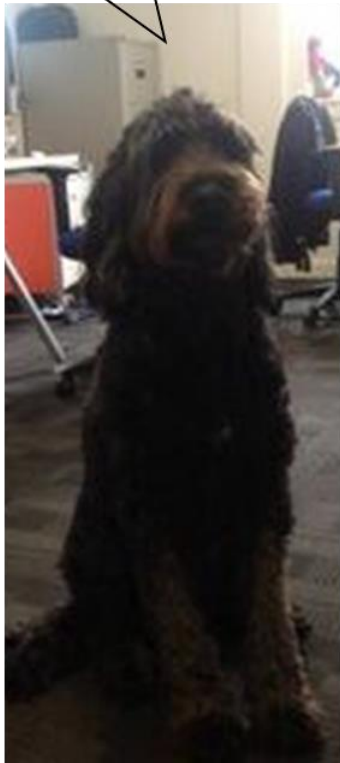

There is also a space to put your book bag. You will need this to borrow books to read at home.

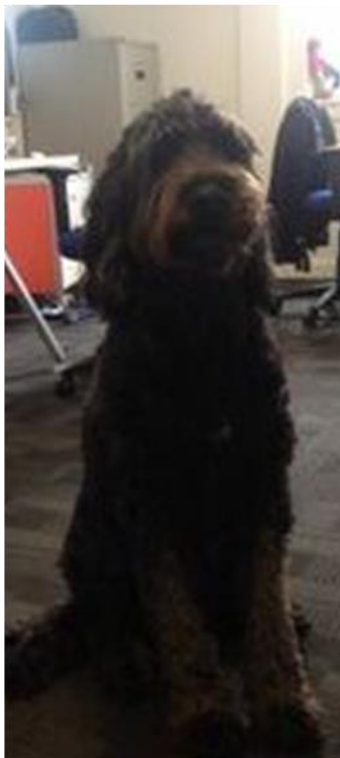

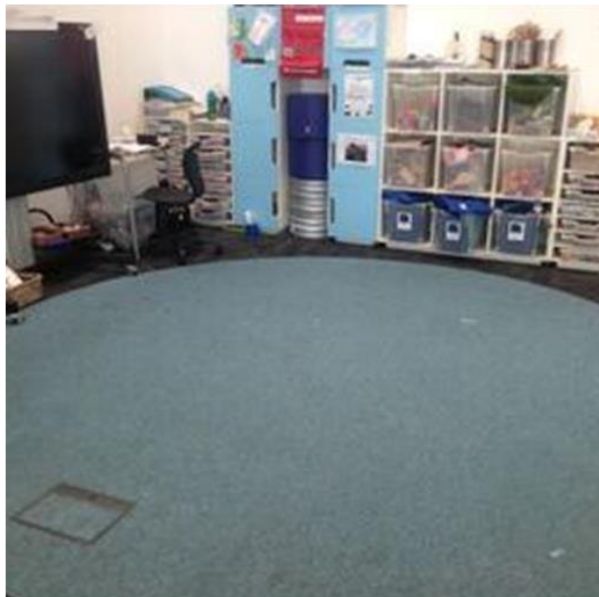

These are the  
bathrooms in  
Oak Learning  
Zone.

This is Oak Learning Zone.  
There are many different Learning Resources.

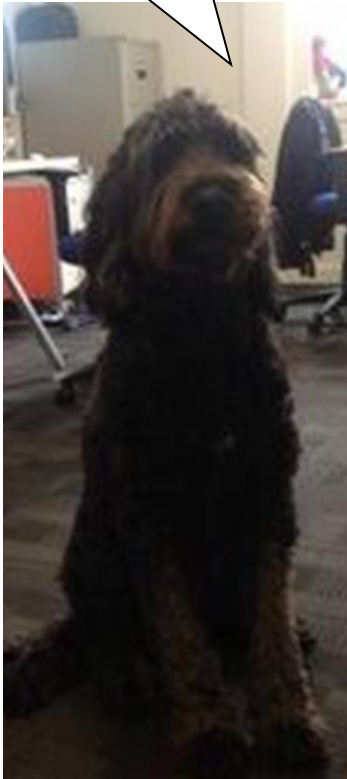

Here is the home zone. This is where you may go for adult led learning, to share learning with your friends and for snack times.

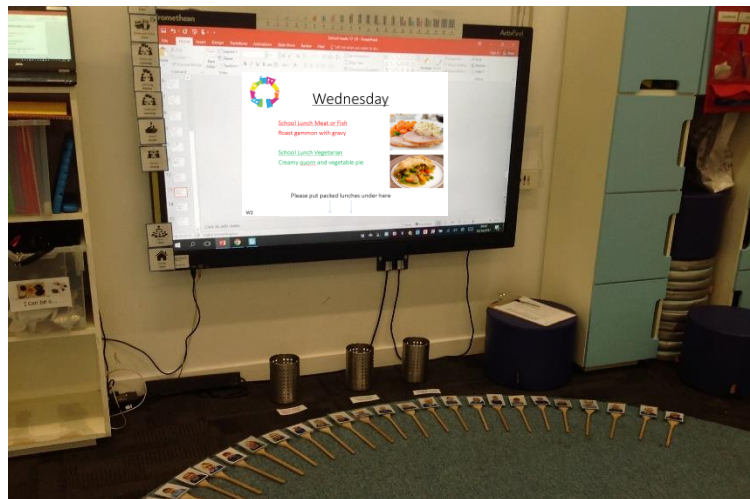

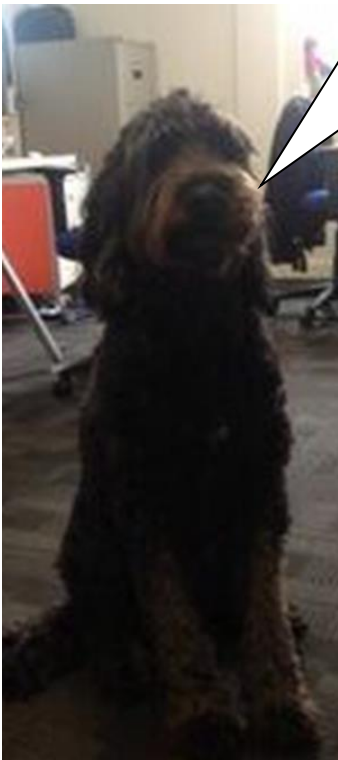

We learn inside and outside  
at Wallscourt Farm Academy.  
Here is our garden.

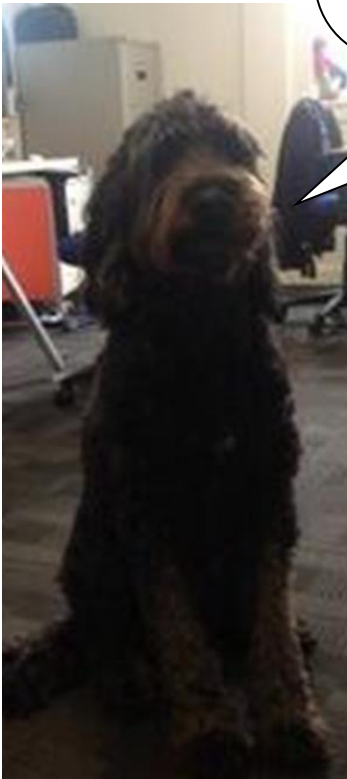

This is the community café. Ms Hooper cooks delicious school meals. My favourite is lasagne – yum, yum!

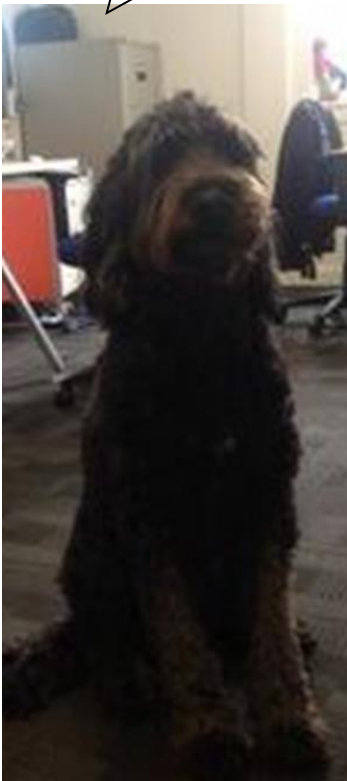

In the morning, we look at the menu on the active panel and choose our lunch. Some children have a school lunch and some bring a packed lunch from home.

After lunch, there is time in the garden when you can use the PlayPod.  
It is full of really exciting materials that you can use to create games.

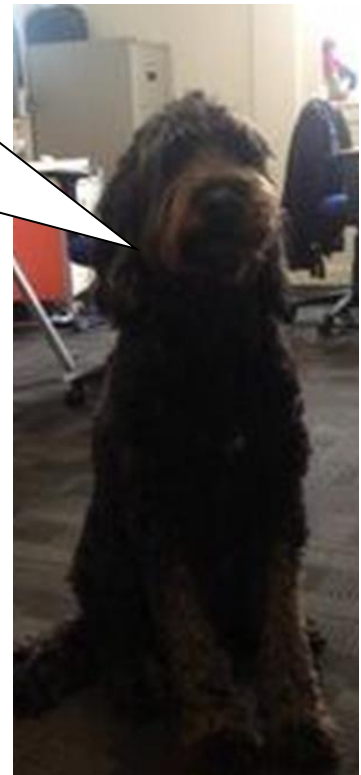

This is the super classroom.  
We can learn together here as  
well.

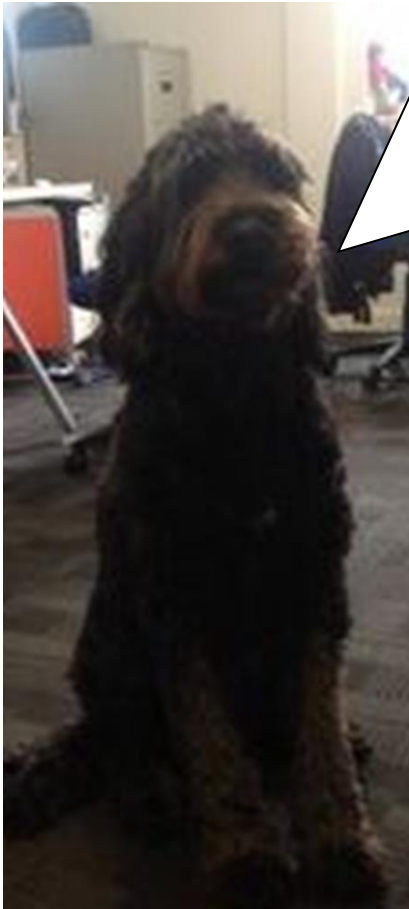

This is the slide we use to celebrate good learning. We think school should be the best party in town!

I hope you have enjoyed looking at your new school. I've had lots of fun showing you around. I can't wait to meet you and your families.
